### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr Warren Edmonds on 12/9/2004.

The application has been amended as follows:

In claim 1, on line 4, ",", is deleted.

In claim 19, on line 6, "the" is changed to --an--; on line 12 "the nail driver attachment plate" is changed to --the adapter attachment plate--; on lines 12-13, "the nail driver" is changed to -- a nail driver--.

The following is an examiner's statement of reasons for allowance:

The art of record considered as a whole, lone or in combination, neither anticipates nor renders obvious a nail gun attachment for installation of roof shingles, comprising in combination: a lifting blade having a rear surface mounted brackets and curved lower front portion;

a pair of vertically oriented brackets attached to the rear surface of the lifting blade and defining a first pair of horizontally aligned bores; an adapter having an attachment plate; and means for securing the brackets to the adapter and the nail gun.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
